## Ransom Oaks Facilities Report

We hope everyone is enjoying the facilities this summer. Hopefully the weather for the month of July will be great!

If you are interested in swim lessons the next session begins at the end of the month. Please make sure you that have pool tags in your possession at all times.

Don't forget that if you are planning a private party at any of the pools, you should begin by checking the website for availability. Then contact Tom or Kathy Halter to finalize the reservation. Please allow a two-week notice. All parties are to be scheduled after pool hours.

The guards have been asked to check tags at all pools. When you enter the pool, you should sign-in and show your tag to the guard. Tags should be brought to the pool every time you visit. In addition, tags should not be lent to non-residents. If a non-resident is caught wearing a tag, the tag will be taken! Your guest card should be used for visitors. When you are asked to show your tag, please do not give the guard a hard time they are doing what has been requested by the Ransom Oaks Board of Directors.

## Car Corner Did you know? . . .

Just as the summer heat and humidity is hard on many people, the same is true for your vehicle. High temperatures make cooling systems; air conditioners, brakes, engines, transmissions and many other components work their hardest. Regular maintenance will keep these components running cool and problem free. Reducing the chance of a breakdown.
